Kappa Chapter Minutes  
March 20, 2012**

President Scarlett Kiser welcomed the twenty-two members who were present. She thanked the hostess committee consisting of Elaine Almarode, Shirley Crawford, Ginny Coffey and Kathy Morzark for the delicious refreshments. She shared a reading titled "I don't do," relating that to how members could serve in the chapter during the next biennium. Sign-up sheets for committees and responsibilities were made available. Correspondence from the Churchville Community Food Pantry was read thanking the chapter for our February donations. Scarlett announced that the Gold Kay application had been completed and submitted to IOTA state. Susan Doughty gave an update on how the leadership seminars held across the state were unfolding.

In new business, Shirley Crawford announced the slate of officers for the 2012-14 biennium and members voted and passed the slate. President: Anne Perdue; 1<sup>st</sup> VP: Bev Wise; 2<sup>nd</sup> VP: Kim Norman; Recording Secretary: Ginny Coffey; Corresponding Secretary: Kay Quick. Three members were recognized for membership milestones in DKG. Judy Baylor and Cindy Cox and have been members for 25 years and Martha Hamrick for 40 years. These ladies were congratulated and will be receiving a certificate from IOTA state.

Betty and Kendall Bennett served as auctioneers for the annual Kappa auction. This year the theme was "Kappa's Favorite Things" and members donated boxes filled with goodies and then members bid on them sight unseen except for a 3 word clue. All proceeds will go towards funding the Downs-Ryerson Grant-In-Aid. Lee Ann Whitesell has updated the application and sent out to area high schools. We will honor the recipient at the May 8<sup>th</sup> meeting.

Respectfully submitted,

Scarlett Kiser
