Delicious goodies and conversations were enjoyed before the business part of our meeting started.

**The minutes** for the September meeting had been sent electronically. Paper copies of the minutes were available for members to look at. Anne asked for any changes. (SEED) needed to be changed to SEE). The minutes were accepted as written noting the needed correction.

We were reminded about several dates to remember especially the leadership seminars in April and May, the State Legislative Day in Richmond on January 28, 2014 and the International Convention in Indianapolis on July 28 - August 1, 2014.

**Program:** Koressa and Cyndy presented the program "All You Wanted to Know about VSDB. They presented a brief history of the school and how it has changed over the years. Three VSDB students spoke about their experiences at VSDB and how their lives have been enriched by attending this unique school. We then took a walking tour through some of the new or newly renovated buildings on campus and were treated to a wonderful rendition of a song by a young man who also let us look at his dorm room.
