

Kappa Chapter

January 28, 2017

Nineteen members of the Kappa Chapter and two guests, Cheryl Sams and Vickie Conyers, as well as IOTA State President Linda Hall and Second Vice-President Mary Mehaffey met at Third Presbyterian Church for a Kappa 70th Birthday Brunch and a business meeting. Also, Alison Elliott Munoz, Marcia Elliott's daughter attended as a guest.

President Lynne Carson called the meeting to order and introduced the guests.

Brunch: A delicious brunch was served by the ladies of the Third Presbyterian Church.

President Lynne introduced IOTA State President Linda Hall. Linda gave a very informative message to members and guests.

Anne Perdue shared a powerpoint on membership review. Two long time members discussed why Delta Kappa Gamma was important to them.

Treasurer's Report: Sandy Proctor presented a budget report through January 28, 2017. The Grant-In Aid will be short funds this year. It was suggested that each member donate \$35.00 towards the Grant-In Aid rather than hold a generosity night. The majority of the membership agreed to this idea and have started to donate.

Newsletter: Scarlett Kiser discussed deadlines and release forms.

President's reports have been submitted.
