Kappa Chapter Meeting

May 7, 2013

Twenty members of Kappa Chapter and three special guests met Tuesday evening, May 7, 2013 at the Third Presbyterian Church in Staunton for a dinner meeting.

Anne Perdue opened the meeting with a reading about "Spreading the word for DKG" from the May/June 2013 DKG News. The collect was read and the response was sung. A delicious dinner was served by the Ladies of the Third Presbyterian Church.

The Valley Harmony Chorus presented a delightful program entitled, "Everything You Wanted to Know about Barbershop Singing, But Were Afraid to Ask."

Scarlett Kiser introduced Hannah Lundstrom, Kappa Chapter's recipient of the Downs-Ryerson Grant-In-Aid. Hannah was presented with a check from Kappa Chapter. She is a graduating senior at Waynesboro High School and plans to attend James Madison University. Hannah's parents attended the dinner and meeting.

After the dinner and program, Anne opened the business portion of our meeting. Several members were mentioned for Care and Concerns. Kim Norman was recognized as she will retire from teaching in June with 36 years of service.

Bobbi Poats and Shelly Moore have volunteered to be Co-First Vice Presidents. Sharon Spalding has volunteered to be Second Vice-President. A treasurer is still needed.

The minutes for the March meeting had been sent electronically to members and copies were available at the meeting. With no changes or additions, the minutes were accepted as written.

Treasurer Report: Bobbi presented the Treasurer's Report. A total of \$1897 was donated through our Generosity Night in March for the Downs-Ryerson Grant-in-Aid.

Legislative: Bea distributed the 2013 General Assembly Summary and the VRS Overview for VRTA Spring Conference. She also discussed Governor McDonnell's Executive Order which creates a Governor's Teacher Cabinet. As key women educators, Delta Kappa Gamma should have applicants for appointment to the Governor's Teacher Cabinet. Full-time teachers are urged to apply.

Susan Doughty closed the meeting with a summary of her remarks made at IOTA State Convention in April. Through an interactive activity, Kappa members were encouraged to attend Executive Board meeting, September 27-28, 2013 in Roanoke.

Respectfully submitted,
Anne Perdue, Acting Recording Secretary
